CATHOLIC UNITED FINANCIAL RAFFLE: As of February 11th, our school has raised \$6,700. Happy Saint Valentine's Day ~ Thursday, February 14th

O my God, I love you above all things, with my whole heart and soul, because you are all-good and worthy of all love.

I love my neighbor as myself for the love of you.

I forgive all who have injured me, and I ask pardon for all whom I have injured.

Amen.

Weekly Review of Handbook Policies

Student Notes

If students are going places other than their usual destination or leaving school early, they must have a permission note from their parent/guardian. If someone other than their parent/guardian is picking up the child(ren), the school must be informed. All parents/guardians/others must report to the office if taking a child out of school during school hours. This includes early dismissals. The student must be signed in/out on the appropriate sheet, in the office, before the student may leave.

Bikes

Bikes must be parked in the bike rack. Bikes are not to be used during school hours. Bikers and walkers will be dismissed at 2:55 p.m.

TEACHER'S CORNER with Mrs. Bamrick

Reading— Students continue to earn their AR Stars on the wall. They've become very good readers! February is black history month and we'll also be reading/studying and celebrating Presidents Day.

Math— We're learning how to add 2-digit numbers, and we continue to work on speed/accuracy with our basic math facts. Terms/skills we've been applying are; symmetry, polygons, simple fractions, congruent shapes, and adding coins.

S.S./Science— The next couple of weeks will focus on Presidents Day, and Light/Sound in our Project Lead the Way series.

Religion— The past few weeks we've been reading stories about Jesus' many miracles and how he accepted and loved all people. We've been practicing our prayers and will soon be discussing the Lenten Season.
